## The Dynamic Control Center in Kadena™

K-Commerce is the heart of Kadena—a powerful eCommerce portal that gives you the ability to execute more dynamic print programs and vastly improved control of your print supply chain.

Design custom products and kits, consolidate and streamline print ordering, track job status, optimize inventory, control spend and oversee production and distribution from start to finish. You'll see real information in near real time. Plus, we can configure your solution to support all the players in your chain—from designers, to reviewers, to vendors, to procurement. The choice is yours. And the possibilities are endless.

**K-Commerce. Only on Kadena™. And only from Cenvéo.**

Kadena™ is an advanced technology platform that employs an integrated set of expert applications. Use it to facilitate direct mail communications, print fulfillment, and managed supply chain solutions.

# Harness the power of Kadena™ with K-Commerce.

**Personalize your experience and strengthen your brand**

**Quickly view important insight highlights**

## Customize Your User Experience

- Use an intuitive interface configured with your unique branding
- Enjoy a consistent user experience on a responsive platform
- Access and view all projects from one place, regardless of complexity
- Keep your content and data secure in a centralized location
- Enjoy cloud-based system benefits (no downtime, no installation, seamless updates)
- Choose from multiple ordering modes, including POs, job codes, and credit cards

K-Commerce displays all of your activity in a comprehensive dashboard—it's your "home base" on Kadena™ Use it to scan jobs, track status, and review key data. Plus, K-Commerce connects seamlessly to all other Kadena™ modules. Couple it with K-List for dynamic mail processing. Add K-Insight to generate performance analytics. Or simply use it on its own to execute powerful, personalized print communications programs.

K-Commerce is as flexible as it is easy to use. On logging in, you're authenticated for all relevant projects. Your design and agency partners can view proofs, your distributors can review product inventory, and your staff can access and manage all products and services directly, or Cenveo can do it all for you.

This is the power of Kadena™. And it's in your hands.
